

Comedy in Japan

Have you ever heard the song PPAP? It is sung by Pikotaro. He is very famous in Japan. We have watched the German version, too. Comedy culture is very popular in Japan. There is a traditional comedy storytelling in our culture. It is called “rakugo”

He is a very famous rakugo storyteller. Rakugo makes many people happy. Now we have many kinds of comedy that make people laugh. There are some comedy shows, too. For example, many comedians talk and make people laugh in different styles. And there are some contests: one of them is called M-1 Grand-Prix. Everyone enjoys watching the show. If you can understand Japanese, why don't you watch it?
