

Japanese food

Have you ever eaten Japanese food? There are many delicious food in Japan. For example, sushi and wagashi. You might think sushi is expensive, but you can find cheaper ones. Look at this picture. This picture is a sushi restaurant. We

call it Kaitenzushi. It is a fast-food-style sushi restaurant which serves sushi with conveyor belt. We can eat at a very low price. There are other

things we can eat. For example, French fries and noodles.

The next food is wagashi. It is a Japanese sweet. It's very beautiful. It looks like a flower. It's made from rice powder and sweet bean. Japanese pastry chefs use special techniques to make it. It's very tasty. If you visit Japan, why don't you try eat them?
